Non-recurring expenditure to be treated as capital of the Authority.-The terms and conditions, subject to which all non-recurring expenditure incurred by or for the State Government for or in connection with the purposes of any state highway or any section thereof vested in, or entrusted to, the Authority, shall be treated as capital provided by the State Government to the Authority, shall be such as may be specified by the State Government in the notification published under section 55.

28. Value or amount of the contract under section 59.- The State Government shall, by notification, specify the value or amount exceeding which no contract shall be made on behalf of the Authority unless it has been previously approved by the State Government.

CHAPTER VIII
FUNCTIONS OF THE AUTHORITY

29. Survey of a highway.- (1) Survey of a highway and its boundaries shall be carried out by preparation of map through modern technology inclusive of base mapping, demarcation of boundaries and ground-truthing.

(2) The map shall be prepared on different scales, keeping in view the density of area, incorporating the technical details, headings and any other relevant details pertaining to the map so that the highway and its boundary may be clearly shown and measured.

CHAPTER IX
MISCELLANEOUS

30. Other conditions to be fulfilled by the person authorized to seize vehicles.-The officer of the concessionaire to be authorized by the State Government or by the Authority to seize or impound any vehicle or conduct any search or seizure under the Act shall fulfill such other conditions, as the State Government may, by notification, specify from time to time.

31. Summary inquiry under section 96.- (1) If the officer authorized in this behalf by the State Government desires to make any enquiry for the purposes of the Act, he may make a summary inquiry in the following manner, namely:-

(a) He may visit the place of unauthorized occupation of the highway land, inspect such land and reduce his observations in writing to arrive at a conclusion for appropriate action under the Act;

(b) He may, if think necessary, record the statement of the official referred to in section 100 or any other person to arrive at the conclusion that any offence including unauthorized occupation, damage or destruction of a highway land has been committed or not;

(c) Where such officer records the statement under clause (b), he shall record such statement in duplicate and obtain signature thereon of the official concerned or any other person, as the case may be.

(2) Where on the basis of the inquiry made under sub-rule (1), the officer authorized in this behalf by the State Government is satisfied that any action is required to be taken under the Act, he shall take such action without any delay and where he is satisfied on the basis of such enquiry that any offence involving unauthorized occupation, damage or destruction of the highway land has been committed, as the case may be, he shall without delay inform the officer in charge of the police station concerned, along with the copy of relevant observation reduced in writing under clause (a) or statement recorded under clause (b) of sub-rule (1) of such commission of offence for taking necessary action.

(3) Every officer authorized by the State Government in this behalf shall send a summary report once in every three months to the State Government stating therein the brief description of inquiries made under sub-rule (1) within the jurisdiction of such officer within such period and the actions taken on the basis of such enquiries.

(4) On receipt of the summary reports under sub-rule (3), the State Government may issue any general or special orders which it thinks fit for proper exercise of powers and discharge of functions by the officer authorized in this behalf under the Act.

32. Manner of service or presentation of notice or bill.- Save as otherwise provided in the Act, every notice or bill issued or prepared under the Act may be served or presented in the following manner, namely:-

(a) Such notice or bill may be served on the person concerned or presented to him by a messenger handing over a copy thereof and obtaining his signature on another copy thereof;

(b) In case the service or presentation of such notice or bill is not easily possible under clause (a), then, such notice or bill shall be sent to the person concerned by registered post or speed post at his known residence and the delivery of such registered post or speed post to such person shall be the service on or presentation to him on such notice or bill, as the case may be, and in case he refuses to receive such registered post or speed post, the remarks of such refusal by a post office official on the registered post shall be deemed to be the service on, or presentation to, such person of such notice or bill, as the case may be;

(c) In case the service or presentation of such notice or bill is not physically possible under clause (a) and (b), then, the contents of such notice or bill shall be published in a newspaper having wide circulation in the locality where the person concerned actually or voluntarily resides or carries on business or personally works for gain and such publication shall be deemed to be the service of such notice or bill, as the case may be, on such person or presentation thereof to him.

33. Interpretation.- If any question arises relating to the implementation of these rules, the same shall be referred to the State Government for its decision and the decision of the State Government shall be final and implemented.
